

STUDENT EXCHANGE AGREEMENT
BETWEEN
UNIVERSIDAD AUTÓNOMA DE BAJA CALIFORNIA
AND
DANKOOK UNIVERSITY

Universidad Autónoma De Baja California and Dankook University conclude this Agreement to promote student exchange, based upon the Memorandum of Understanding (MOU) between Universidad Autónoma De Baja California and Dankook University.

1. Duration of Stay

The duration of stay for exchange students shall not exceed a period of one academic year, and shall be subject to the agreement of the host institutions.

2. Numbers of Exchange Students

Each institution may send and accept five (5) students each year under this program. Numbers should be counted as follows: 1 full academic year = 2 semesters = 4 summer school participants. The institutions undertake to balance the numbers of students from each institution over the term of the Agreement. With the agreement of the host institution the number of student exchanges in a particular year may exceed five (5) where it is necessary to "balance" the numbers of exchange students.

3. Status of Exchange Students

Each institution shall normally accept incoming exchange students as visiting students (i.e. students who do not aim at obtaining a degree or other formal qualification from the host university.)

4. Acceptance Procedures

The students participating in the exchange program under the terms of this Agreement shall be selected initially by the home institutions, and the host institution shall make the final admission decisions in each case.

5. Study Program

Each exchange student shall determine the study program at the host institution in consultation with academic advisors at both the home and host institutions. Depending on the study program, language requirements and/or other prerequisites may be imposed in accordance with the regulations of the host institutions. Exchange students will normally be permitted to enter a program in which there is space and no limits on access, provided the student meets the stipulated prerequisite requirements.

6. Academic Record and Accreditation

The host institution shall evaluate the academic performance of each exchange student according to its rules. Students shall be responsible for requesting that transcripts be sent, at their expense, to their home University. The home institution may give credit to each student according to its regulations.

7. Tuition and Other Fees

Provided they have paid the appropriate fees to their home institution, exchange students shall not be required to pay tuition fees to their host institution. Exchange students may, however, be responsible for applicable student fees, the cost of textbooks, fees for field trips (if any) and other optional course charges.

8. Government Requirements

Exchange students will meet all requirements of the host country as regards immigration, including where appropriate, arrangements for their families and dependents. Exchange students shall ensure that they keep their host institution fully informed of their movements and their contact details during the period of their exchange. The host institution will act as the point of contact with the student.

9. Financial Responsibility

Exchange student shall take out comprehensive health insurance which is valid in the host country and host institution. Exchange students shall be responsible for their own expenses, including travel expenses, food, accommodation costs, and health care fees. The host institution will assist the exchange student to find initial accommodation wherever necessary.

10. Program Administration

Each institution shall designate an officer for general program administration, and shall inform the other institution of any changes in these arrangements. The officer shall be in regular contact with each other to make arrangements necessary to implement this Agreement. All programs are subject to the regulations and conditions as set forth by Coordinación de Cooperación Internacional e Intercambio Académico at Universidad Autónoma De Baja California and the Office of International Affairs at Dankook University.

11. Commencement and Duration of the Agreement

The Agreement shall enter into force on the date of its signing by both institutions and shall remain in force for five years.

Either institution may, by giving six months written notice to the other institution, terminate the Agreement. In the absence of such and early termination, the renewal of this Agreement shall be reviewed by the two institutions no less than six months prior to the natural termination of the current Agreement.

In the event that either party terminates the Agreement, the host institution shall honor the terms of the Agreement for students whose exchange has been approved prior to the termination, as if the Agreement remained in force for the period of exchange.

The terms of this Agreement may be revised or modified at any time through joint review and recommendation by both institutions. No revision or modification shall come into effect until such time as both institutions have signed a letter agreeing to the revision or modification.
